281M2 Plot in the middle of San Pedro del Pinatar. Located on a nice spot, ideal for having a business - home combination. The lower level can be easily used as display windows / office / workshop or garage. Of course it can be a nice spot for just a lovely home as well. The plot and its orientation leave that option up to you as a buyer. You are allowed to build up to 256m2 on this plot.
