Two bedroom flat with south facing terrace, which has sun in the morning and shade in the afternoon. Close to the beach and the mud baths of Lo Pagan in San Pedro del Pinatar, but without the hassle of being in the front row. It consists of lounge-dining room, 2 bedrooms, bathroom with window and shower recently refurbished, kitchen with small drying area where the heater and washing machine are located and a large terrace to enjoy with the family. Also, it has a parking space just in front of the flat, in the tiled area below.

San Pedro del Pinatar is a very diverse area full of activities and animation. At the same time, here we do not suffer from mass tourism as, for example, in Torrevieja or Benidorm.

Some good things to mention: infinitely long boulevards and sandy beaches around the Mar Menor, the famous mud baths in the nature reserve of Lo Pagan (falls under San Pedro), the salt lagoons with all kinds of birds and flamingos very beautiful to see, besides the Mar Menor (warm inland sea, no waves) we also have here at less than 5 minutes by car the Mediterranean Sea, nature reserve with dunes and sandy beaches, many possibilities for cycling because everything is flat, several "green zones" and parks, entertainment in Lo Pagan and the promenade of Santiago, many restaurants and bars, also the famous tapas bars on the beach every few hundred meters are located, the boulevard was completely renovated last year, DOS MARES shopping centre is less than 5 minutes drive from Lo Pagan here is now everything from KFC, Mcdonalds, Domino's, Carrefour, Lidl, Leroy Merlin, pet shops, Chinese all vendors, cinema, jewellers, clothes shops, etc etc etc.

To fly there are two options, namely over the ap7 to Alicante this is about 40 minutes drive or to Murcia international airport about 25 minutes. Also, there is life here all year round, of course in the winter months a bit quieter, but that is everywhere on the coast. Lots of water sports to do!
