A lovely sunny house with several terraces and a nice communal pool right in front of your door. This house offers 2 bedrooms, a modern kitchen, a separate toilet and a spacious bathroom. The construction opted for 2 bedrooms instead of 3. This makes the living room a lot more spacious than usual. However, this is also very easy to realise again so it will have 3 bedrooms. The house is in very good condition and feels spacious and modern. Thanks to its location, there is no lack of sunshine. The views are beautiful as you look directly at the beautiful communal pool.
